Variables

Submit Complaint

Documentation

Test

POST `{{base}}/api/integration/submit_complaint`

Submits a new complaint report to the eReport system. This endpoint accepts complainant details, report classification, and optional evidence attachments along with the geographic location of the incident.

Authorization

Requires a valid integration token passed via the `Authorization` header (Bearer token using the `{{integration_token}}` variable).

Request Body

Field	Type	Required	Description
mobile	string	Yes	Mobile number of the complainant (e.g. 639XXXXXXXX).
first_name	string	Yes	First name of the complainant.
last_name	string	Yes	Last name of the complainant.
gender	string	Yes	Gender of the complainant (e.g. Male , Female).
complainant_email	string	Yes	Email address of the complainant.
report_type	string	Yes	Type/category of the report (e.g. crime).
subject	string	Yes	Brief subject or title of the complaint.
message	string	Yes	Detailed description of the complaint.
evidences	array of strings	No	List of image URLs to attach as evidence.
region_code	string	Yes	PSA region code of the incident location.
province_code	string	Yes	PSA province code of the incident location.
municipality_code	string	Yes	PSA municipality/city code of the incident location.
barangay_code	string	Yes	PSA barangay code of the incident location.
latitude	string	No	Latitude coordinate of the incident location.
longitude	string	No	Longitude coordinate of the incident location.

Example Request Body

```
{
  "mobile": "639000000000",
  "first_name": "Juan",
  "last_name": "dela Cruz",
  "gender": "Male",
  "complainant_email": "juan@example.com",
  "report_type": "crime",
  "subject": "Theft incident",

```

```
    "message": "A theft occurred near the market area.",
    "evidences": [
      "https://example.com/image1.jpg",
      "https://example.com/image2.jpg"
    ],
    "region_code": "040000000",
    "province_code": "042100000",
    "municipality_code": "042111000",
    "barangay_code": "042111011",
    "latitude": "14.60",
    "longitude": "120.98"
  }
}
```

Responses

- **Success** — The complaint was submitted successfully. Returns a confirmation with the generated report reference.
- **Error** — Returns an error message if required fields are missing or invalid.

AUTHORIZATION

 **Bearer token** Authorization: Bearer `{{integration_token}}`
